

Senate Bill No. 2001

CHAPTER 785

An act to amend Sections 65090 and 65091 of the Government Code, relating to local planning.

[Approved by Governor September 27, 2000. Filed
with Secretary of State September 27, 2000.]

LEGISLATIVE COUNSEL'S DIGEST

SB 2001, Poochigian. Local planning: public notice.

(1) The Planning and Zoning Law provides that whenever a hearing is held for a permit or modification of a permit for a drive-through facility, the local agency shall incorporate, where necessary, notice procedures to the blind, aged, and disabled communities, as specified. Existing law also requires that whenever notice of a public hearing is required regarding the adoption of a general or specific plan, specified procedures are to be followed.

This bill would require that these notice procedures also be incorporated whenever a local agency considers the adoption or amendment of policies or ordinances affecting drive-through facilities. By imposing new duties on local agencies, including charter cities, the bill would create a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. Section 65090 of the Government Code is amended to read:

65090. (a) When a provision of this title requires notice of a public hearing to be given pursuant to this section, notice shall be published pursuant to Section 6061 in at least one newspaper of general circulation within the jurisdiction of the local agency which is conducting the proceeding at least 10 days prior to the hearing, or if there is no such newspaper of general circulation, the notice shall be posted at least 10 days prior to the hearing in at least three public places within the jurisdiction of the local agency.

(b) The notice shall include the information specified in Section 65094.

(c) In addition to the notice required by this section, a local agency may give notice of the hearing in any other manner it deems necessary or desirable.

(d) Whenever a local agency considers the adoption or amendment of policies or ordinances affecting drive-through facilities, the local agency shall incorporate, where necessary, notice procedures to the blind, aged, and disabled communities in order to facilitate their participation. The Legislature finds that access restrictions to commercial establishments affecting the blind, aged, or disabled is a critical statewide problem; therefore, this subdivision shall be applicable to charter cities.

SEC. 2. Section 65091 of the Government Code is amended to read:

65091. (a) When a provision of this title requires notice of a public hearing to be given pursuant to this section, notice shall be given in all of the following ways:

(1) Notice of the hearing shall be mailed or delivered at least 10 days prior to the hearing to the owner of the subject real property or the owner's duly authorized agent, and to the project applicant.

(2) Notice of the hearing shall be mailed or delivered at least 10 days prior to the hearing to each local agency expected to provide water, sewage, streets, roads, schools, or other essential facilities or services to the project, whose ability to provide those facilities and services may be significantly affected.

(3) Notice of the hearing shall be mailed or delivered at least 10 days prior to the hearing to all owners of real property as shown on the latest equalized assessment roll within 300 feet of the real property that is the subject of the hearing. In lieu of utilizing the assessment roll, the local agency may utilize records of the county assessor or tax collector which contain more recent information than the assessment roll. If the number of owners to whom notice would be mailed or delivered pursuant to this paragraph or paragraph (1) is greater than 1,000, a local agency, in lieu of mailed or delivered notice, may provide notice by placing a display advertisement of at least one-eighth page in at least one newspaper of general circulation within the local agency in which the proceeding is conducted at least 10 days prior to the hearing.

(4) If the notice is mailed or delivered pursuant to paragraph (3), the notice shall also either be:

(A) Published pursuant to Section 6061 in at least one newspaper of general circulation within the local agency which is conducting the proceeding at least 10 days prior to the hearing.

(B) Posted at least 10 days prior to the hearing in at least three public places within the boundaries of the local agency, including one public place in the area directly affected by the proceeding.

(b) The notice shall include the information specified in Section 65094.

(c) In addition to the notice required by this section, a local agency may give notice of the hearing in any other manner it deems necessary or desirable.

(d) Whenever a hearing is held regarding a permit for a drive-through facility, or modification of an existing drive-through facility permit, the local agency shall incorporate, where necessary, notice procedures to the blind, aged, and disabled communities in order to facilitate their participation in any hearing on, or appeal of the denial of, a drive-through facility permit. The Legislature finds that access restrictions to commercial establishments affecting the blind, aged, or disabled, is a critical statewide problem; therefore, this subdivision shall be applicable to charter cities.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because a local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act, within the meaning of Section 17556 of the Government Code.
